

Adolfo Simaz Bunzel

Curriculum vitae

Education

- 2011–2018 **Ms.S. in Astronomy**, *Faculty of Astronomical and Geophysical Sciences (FCAGLP), National University of La Plata (UNLP)*, La Plata, Argentina, Average Mark: 9.47/10.00.
Degree Thesis: Evolving binaries to the merging of compact objects Mark: 10.0/10.0
Supervisor: Dr. Jorge A. Combi
Co-supervisor: Dr. Leonardo J. Pellizza
- 2018–Present **PhD in Astronomy**, *Faculty of Astronomical and Geophysical Sciences (FCAGLP), National University of La Plata (UNLP)*, La Plata, Argentina.

PhD Courses

- o Introduction to Magnetohydrodynamics (on course)
 - Professor: Dr. Ana María Platzeck
 - Year: 2018

Fellowships

- 2018–Present **PhD. CONICET Research Fellow (National Research Council)**, *Faculty of Astronomical and Geophysical Sciences (FCAGLP), National University of La Plata (UNLP)*, La Plata, Argentina.
Research field: gravitational waves, xrays: binaries, stars: evolution, astrophysics, radioastronomy.

Attended Courses and Workshops

- 2017 Workshop 'Latin American X-ray School for Different Astrophysical Scenarios: Data Analysis of the XMM-Newton, Chandra and NuSTAR missions' (COSPAR). Viedma, Argentina.
- 2016 Workshop 'Links between Supernovae and Supernovae Remnants in Argentina'. La Plata, Argentina.

Institutional Management

- 2017 Member of the Adviser Committee who selected an Instructor of Electromagnetism, FCAGLP.

Camino Gral. Belgrano Km 40 - Berazategui - Prov. de Buenos Aires – 1888

✉ asimazbunzel@gmail.com • 🌐 AdolfoSimazBunzel

- 2017 Substitute member of the Adviser Committee who selected an Associate Professor of Stellar Systems, FCAGLP.
- 2018 Member of the Adviser Committee who selected a Teaching Assistant of Complex Variables Mathematics I, FCAGLP.

Languages

- Spanish Native.
- English Advanced. *EFCELT Level / Council of Europe Level: C1.*

Computer skills

- Fortran Intermediate level.
- Python Basic level.
